BRIJENDRA JHA

B.Tech Information Technology Student | Aspiring Software Developer
Lucknow, India | +91-8318514315 | Brijendrakjha@gmail.com
LinkedIn | GitHub | LeetCode

SUMMARY

B.Tech Information Technology student (3rd year) with hands-on experience across web development and applied machine learning, and a growing interest in cyber security. Built a real-time facial emotion detection system using Python and TensorFlow, competed in a national medical hackathon, and actively solves algorithmic problems on LeetCode. Seeking a Software Development / Machine Learning internship to apply and grow technical skills on real-world products.

TECHNICAL SKILLS

- **Languages:** C++, C, Python, Java
- **Web Development:** HTML, CSS (learning JavaScript)
- **Machine Learning / CV:** OpenCV, TensorFlow/Keras (project-level experience)
- **Database:** MySQL
- **Core CS:** Data Structures & Algorithms, OOP fundamentals
- **Tools & Platforms:** VS Code, Git/GitHub, LeetCode, MS Office

PROJECTS

Emotion Detector — Facial Emotion Recognition System | *Python, OpenCV, TensorFlow/Keras*

- Built a real-time facial emotion detection system using OpenCV for face detection/video capture and a CNN trained with TensorFlow/Keras to classify emotions from facial expressions.
- Wrote a separate training pipeline (train_model.py) to train and export the classification model, and an inference script (main.py) to run live detection.
- Code: github.com/brijendrakjha-sudo/emotion-detector

Medical Hackathon – Healthcare Solution Prototype | *Team Project*

- Collaborated in a 6-person team at the MEDHA Medical Hackathon to design and prototype an innovative healthcare solution under a strict time limit.
- Owned fronted design and research and presented the final solution to a panel of judges, winning Best Commercial Prototype.

ACHIEVEMENTS

- Winner — MEDHA Medical Hackathon, Best Commercial Prototype Category.
- Solved 100+ Data Structures & Algorithms problems on LeetCode, covering Arrays, Strings, and basic Recursion. [Update count/topics as it grows]

EDUCATION

Bachelor of Technology — Information Technology 2024 – 2028
GL Bajaj Institute of Technology & Management, Greater Noida

Intermediate (Class XII) — 79% 2021 – 2023
Bal Niketan Inter College, Lucknow

LANGUAGES

Hindi (Native), English (Professional Working Proficiency)
